

# ALUMNI SURVEY

Please take a few minutes to answer these question so we can get a better idea of your preferences for alumni activities. You can email your response to Sheila Roberson, Director of Alumni and Public Relations, at [roberson@rx.uga.edu](mailto:roberson@rx.uga.edu) or fax the form to 706-542-5269. Thanks so much.

1. Last year we couldn't get Homecoming football tickets to sell to our alumni. If this happens in the future, would you still attend the Homecoming tailgate? Y N

2. Would offering TV coverage of the Homecoming football game on the auditorium screen be a good substitute for tickets? Y N

3. Would tours of the new building be a good way to increase attendance at Homecoming, regardless of football ticket availability? Y N

4. What other activities could we include (music, face-painting for kids, etc)?

---

5. Do other UGA schools or colleges offer activities that you think we should include?

---

6. If you're not interested in a football-related alumni event, would an event at a different time of year have more appeal? What would you suggest?

---

7. We get very few people who actually attend Homecoming as reunion class members, even though we have had reunion committee members who call their classmates. A small turnout can be a disappointment to those who attend. Do you have any suggestions for improving Reunion attendance?

---

8. Should we eliminate the Reunion designation altogether and just offer the event as a homecoming tailgate/football event? Y N

9. Should we offer special events just for Reunion classes, e.g. dinner the night before Homecoming or after the game or something else? Y N

10. What about non-football weekend tailgates or a spring tailgate in conjunction with the G-Day game? Would you be more likely to attend these events? Y N

11. Other comments? \_\_\_\_\_
