**AWARDS/HONORS**

**Kyle Burcher, 4th year student**
Received the Edmond Fougera Scholarship from the National Association of Chain Drug Stores Foundation as one of only eight students nationwide to receive a named-scholarship that honors distinguished pharmacy leaders and companies that share the NACDS Foundation’s commitment to education, research and charitable work.

**Xiao Adrian Lu, Ph.D. graduate student**
Named the 2012 recipient of the Joseph P. LaRocca Award for Excellence in Graduate Research. In earning the award, Lu was among three graduate students to present their research at a seminar of graduate students and faculty in the Department of Pharmaceutical and Biomedical Sciences. The two finalists for the LaRocca award, Sau Wai Hung and Guodong Zhu, each received $250 awards and expect to finish their Ph.D.s in 2014 and 2012, respectively.

**Jason Mock and Phillip Callahan, Ph.D. graduate students**
Shared $70,000 with nine UGA Ph.D. students in biomedical and health sciences as winners of the Atlanta chapter of Achievement Rewards for College Scientists (ARCS) Foundation, Inc.

**Brinkley Warren, Digital Media Professional Associate**
Was awarded a one-year Fulbright Fellowship to study in New Zealand, working on an international interactive art installation project that uses information and communications technology to virtually connect people in the U.S., New Zealand and other countries.

**GRANTS**

**Robert Arnold, Assistant Professor**
Received $49,000 from the Distinguished Cancer Clinicians and Scientists Program of the Georgia Cancer Coalition

**Michael Bartlett, Professor**
Received $32,806 from Georgia Health Sciences University for study of cholinesterase inhibitors, axonal transport and memory

**Anthony Capomacchia, Associate Professor**
Received $7,000 from the Sloan Foundation for minority Ph.D. recruitment and retention in pharmaceutical biomedical sciences at UGA
PRESENTATIONS

Aaron Beedle, Assistant Professor
