

# Second Year

Fall Semester

2017

**UNIVERSITY OF  
GEORGIA**  
College of Pharmacy

Prepared by the  
Office of Student Affairs

While this schedule book is a guide to your classes for the semester, it may not reflect every assignment and/or activity that may be required for every course. The syllabus and other information provided directly by your instructor will be the most complete source of information for any given course.

## College of Pharmacy Test Policy

1. Students should have nothing at their desks during an exam except pencils/pens and calculators (instructors must specify which of these items is/are allowable). Book bags, books, etc. must be kept in lockers or placed in the front of the exam room.
2. Caps (e.g., baseball caps) are not allowed during exams.
3. Students may not ask questions during an exam. Problem questions will be addressed by the instructor at a later time.
4. Students may be seated for the exam using a randomized seating arrangement. Instructors, in order to minimize the opportunity for cheating, may ask students to move to a different seat during the exam.
5. Multiple choice test questions and/or answers will be randomized.
6. Students are expected to abide by the Honor Code at all times. No student may give or receive help from another student during an examination. Students who witness others either giving or receiving aid during an examination are obliged to report such occurrences to the instructor.
