

**University of Georgia College of Pharmacy
2015/16 Senior Legacy Committee Application**

Thank you for your interest in the UGA College of Pharmacy Senior Legacy Committee. The purpose/mission of the Committee is to increase student awareness about the importance of alumni donations and to challenge students to support the College of Pharmacy. Through student contributions to an annual student scholarship, the Committee also fosters a spirit of giving back by helping fellow students understand the necessity of philanthropy.

Each new Senior Legacy Committee member will be chosen based on application, interview, and interest. The interviews are informal, since we only want to meet you and tell you a little about what we are all about. Please talk to a current member and feel free to ask any questions that you may have. **New members will serve on the active committee until the end of their third year. It is an honor to serve on the committee, and we thank you for your interest.**
