New Advisory Board Holds First Meeting

Pictured left to right are: Nirdosh Jagota, Alex Lee, Mark Fitch and Britt Petty

The University of Georgia College of Pharmacy has formed a Pharmaceutical Sciences Advisory Board to help achieve the College's vision to become a preeminent institution that is ranked among the national/international leaders in pharmaceutical sciences.

The Pharmaceutical Sciences Advisory Board met for the first time on May 22-24.

Board members are:

- Chairman Mark Fitch, who serves on the Board of Directors for the International Society for Pharmaceutical Engineering
- Dr. Aqeel A. Fatmi, recently retired as the Executive Vice President for Global Research and Development at Banner Life Sciences
- Dr. Nirdosh Jagota, Vice President and Global Head of Chemistry, Manufacturing and Controls at Merck Research Labs
- Alex Lee, General Manager at Impax Laboratories
- Bob Matje, Vice President of Technical Operations at Qualitest, Endo's Generic Manufacturing division
- John Nine, President of IMO Consulting, and
- Britt Petty, Director of Global Manufacturing Strategies and Program Management at Biogen
