Students form ACCP group

The Student College of Clinical Pharmacy is the newest student organization in the College of Pharmacy and is affiliated with the American College of Clinical Pharmacy. Its goal is to educate student pharmacists about opportunities to further their careers both during and after pharmacy school and to further develop students clinical skills by reviewing various educational topics. Membership is open to all students.

Founding member, pictured at right, are Phoeny Li, Secretary; Sheryle Gillette, Education Chair, Augusta; Lindsay Schaack, Vice President; and Kristen Alspaugh, President. Not pictured are Julianne Jones, President-Elect; and Anh Nguyen, Education Chair, Athens.
